NOTES:

Special Operations consists of data from the City of Covington and the DUI Traffic Enforcement Unit only. The Special Ops DUI Traffic Enforcement data was not available for 2003. Therefore, the 2003/2004 Year to Date comparison is not accurate.

2003 YTD totals also included the City of SeaTac Special Operations data. That collection of data was eliminated starting in August. Therefore, year to year comparisons are not accurate.

NOTE:

Security Incident Reports are reports filled out by transit operators whenever there is a security incident on the bus they are assigned to drive.

GLOSSARY

GLOSSARY OF TERMS

Adult Arrests by King County Sheriff's Office

An arrest is counted every time an adult is cited for a criminal offense or booked. More specifically:

1. It includes all adult bookings, plus
2. All adult citations which are classified as criminal non-traffic.
3. When an adult is both cited and booked, it is only counted once.

Automated Fingerprint Identification System (AFIS) Unit

An AFIS latent "spinoff" hit is matching a fingerprint in one case that results in further matches/identification within that particular case or obtaining additional fingerprint matches in other cases - whether or not they are directly related.

Bomb Disposal Unit

A Bomb Disposal Unit "response" is counted any time a bomb unit technician is involved in an incident, either as a primary or backup/support unit. This includes some in-house training and all out-of-Department training.

Cases Cleared/Clearance

The solving of an offense by arrest, or in some circumstances, by exceptional means (the suspect died, is imprisoned on another charge, victim refuses to testify, etc.).

CASE CLOSURE DEFINITIONS

Cleared by Arrest:

A case can be closed by arrest when at least one suspect is positively identified and charges are recommended to the Prosecuting Attorney's Office. This closure does not require physical booking into a jail or juvenile detention facility. It also does not require the charging of all suspects, if there are multiple suspects in the crime. This category includes criminal citations into district and municipal courts for misdemeanors and felony filings into Superior Court, as well as all filings into Juvenile Court.

Exceptional Clearance:

A case can be closed "exceptional" if it can be established that a crime has been committed and the identity of a suspect is positively confirmed, but due to circumstances beyond our control, no charges are filed. An example of this type of closure is a case in which the victim declines to assist in prosecution. Another example is when another police agency files charges on a related crime stemming from the same incident. (Car stolen in King County, but suspect arrested out of the stolen car in Bellevue. Bellevue P.D. charges the suspect with possession of the stolen car. We close the stolen car case "exceptional.")

Unfounded:

Cases are closed as "unfounded" when the investigation reveals that no crime has been committed. An example would be the report of a theft by one party that is determined to be a false report by interviewing other independent witnesses.

Administrative Clearance:

This clearance is used primarily to close non-criminal police investigations like found property. For instance, if a citizen finds and turns over to police a wallet. Investigation reveals who the owner of the wallet is and the item is returned to that person.

Inactive:

This category is used when all investigative leads are exhausted and the case can not be closed by any of the above classifications.

Dispatched Calls for Service

This includes calls received in the Communications Center which result in one or more patrol cars being dispatched.

Domestic Violence

Domestic Violence is a subcategory to other crimes. Virtually any crime can be classified as domestic violence. In the State of Washington, Domestic Violence is defined as a crime of violence against the person or property of a spouse, former spouse, persons related by blood or marriage, persons who have a child in common, former/current roommates, persons who have or had a dating relationship, and persons related to the suspect by the parent-child (biological or legal) relationship. In some cases, the age of the victim or suspect may determine whether or not the legal definition above is met.

Marine Unit

A Marine Unit "response" is counted any time a Marine unit is involved in an incident as a primary unit. This can include citizen requests for service, area checks, and maintenance and repair of equipment. More detailed information as followed.

Dispatched Calls For Service – Dispatched calls from police, citizens or special events that Marine Units are requested.

On-Views – Total number of boat stops, PWC (Personal Water Craft) stops, swimmer contacts, hazard removals, area checks, to include criminal activity, boating accidents, bouy replacement or repair that are on-viewed by officers.

Dive Calls – Dispatched or on-view calls for dive services to recover persons, property, evidence or environmental hazards.

Citations – Written criminal, infraction or investigation citations. Types of violations given: Expired registration, No PFD (Personal Floating Device), Reckless/Negligent, boating under the influence, and other misc. citations.

Verbal Warnings – No written citation for violation. Types of warnings given: Expired registration, No PFD (Personal Floating Device), Reckless/Negligent, boating under the influence, and other misc. warnings.

Safety Inspections – Actual number of boat, PWC (Personal Water Craft) stops with physical inspection.

Visual Inspections – Number of boats visually inspected by deputies, with no apparent violation.

Boating Accidents – Number of boating accidents reportable or unreportable.

Boat Rescues – Vessels in peril that require immediate action to prevent further damage or loss of property. Vessels on fire, damaged, taking on water or in danger of capsizing, due to extreme weather.

Persons Rescued – Persons rescued from the water or vessel that were in danger of injury or death.

Value of Property Saved – Value of property saved due to the Marine Unit intervention.

Buoys Installed/Replaced – New buoys installed, or replaced buoys for missing or damaged buoys.

Fatalities – Number of drowning victims, suicides, homicides, and accidents that involve water related incidents or recoveries.

Part I Offenses

This category is commonly known as the "Crime Index." It includes criminal homicide (which includes murder and non-negligent manslaughter; but excludes deaths by negligence, attempts to kill, suicides, accidental deaths, justifiable homicide and traffic fatalities), forcible rape, robbery, aggravated assault (excludes simple assaults), burglary, larceny-theft, motor vehicle theft and arson.

Violent Crimes (Part 1)

These are a subclassification of Part I Offenses which encompass murder and non-negligent manslaughter, rape, robbery and aggravated assault.

Part II Offenses

This category is all other crime classifications outside those defined as Part I. It includes other assaults (simple), forgery and counterfeiting, fraud, embezzlement, stolen property (buying, receiving and/or possessing), vandalism, weapons violations (carrying, possessing, etc.), prostitution and commercialized vice, sex offenses (except forcible rape, prostitution or commercial vice...i.e., statutory rape, indecent exposure, etc.), drug violations, gambling, offenses against the family and children, driving under the influence, liquor violations, drunkenness, disorderly conduct, etc.

Response Times/Priorities

Priority X – Critical Dispatch. This category is used for those calls that pose an obvious threat to the safety of persons. Examples include shootings, stabbings and in-progress crimes such as robberies or burglaries where the possibility of a confrontation between a victim and suspect exists.

Priority 1 – Immediate Dispatch. This category is used for those calls that require immediate police action. Examples include silent alarms, injury traffic accidents, in-progress crimes or crimes that have just occurred where a suspect may still be in the immediate area.

Priority 2 – Prompt Dispatch. This category is used for those calls that could escalate to a more serious degree if not policed quickly. Examples include verbal disturbances and blocking traffic accidents.

Priority 3 – Routine Dispatch. This category is used for those calls where response time is not a critical factor. Examples include burglaries and larcenies that are not in progress, audible alarms, or other routine reports.
